WHO WE ARE

INTRODUCTION

Exit 10 was formed by a group of people that are passionate, if not crazy, about BBQ and smoking. We are the only BBQ and pit smoker brand manufactured 100% in the UAE.

Every detail of our products is precision engineered and fabricated to our exacting standards — laser-cut, welded and finished by local craftsmen, then fired up and tested by the pitmasters who designed them.

From the compact Mini to the 500-gallon Smoky Bandit, every Exit 10 grill and pit smoker is built to bring families and friends together around real fire.

PITMASTERS DAVE & HUNTER

WHAT DRIVES US

COMPANY VALUES

BBQ is a culture. Everyone at Exit 10 is passionate about what we do.

We strive to make your pit smoking experience as worry-free as possible — with quality equipment that will perform every moment and withstand the test of time.

PITMASTERS HUNTER & DAVE

THE PITMASTER STANDARD IN THE MIDDLE EAST

WHY US

THE REAL DEAL.

We are the genuine article — authentic American BBQ pitmasters in the UAE. Born and raised in American BBQ culture, we are country folks from the USA with a family history of fire, smoke and BBQ tradition, and we have brought it here. Every Exit 10 grill and pit smoker is built the way it is done in the USA, so you get the real thing.

◇

BUY LOCAL.

Save time — every unit is designed, built and finished here in the UAE, made to order without overseas lead times. Save money — no import duties or international freight built into the price. And because we are local, you are assured the service and support you need, when you need it.

◇

BUY ONCE.

Our BBQs and pit smokers might be heavy — but that's what we want. Heavy-gauge mild steel, stainless steel and aluminium for every part. Anything worth engineering is worth a little over-engineering.

◇

BUILT TO LAST & IMPRESS.

Quality that stands up to years of fire, and a centrepiece people want to gather around. An Exit 10 build is the heart of the party — wherever it is fired up.

1.3 Only items expressly listed in the proposal are included. Accessories, add-ons or options shown on exit10bbq.com, in catalogues or in images are excluded unless itemised and priced in the proposal.

2. Pricing and Payment

2.1 All prices are in AED and exclude VAT. UAE VAT at the prevailing rate (currently 5%) is added to the final invoice.

2.2 This quotation is valid for 15 days from the date of issue.

2.3 Equipment sales: a 50% non-refundable deposit is required to begin fabrication. The 50% balance is due on delivery, before release of the equipment.

2.4 Ownership passes to the Client on receipt of full payment. Risk passes on delivery.

3. Customisation and Branding

3.1 Standard pricing includes custom branding in the designated branding area of each product, as shown in the proposal.

3.2 Branding outside designated areas, additional branding locations, or changes to design, dimensions, materials or finish are additional work, quoted separately and approved in writing before production.

3.3 The Client supplies print-ready artwork and approves a proof before fabrication. Changes after approval may incur charges and extend the timeline.

3.4 The Client confirms it holds all rights to the logos and artwork supplied.

4. Production and Delivery

4.1 Everything is made to order. Lead times are 1 to 2 weeks for backyard grills, 3 to 4 weeks for other grills and 5 to 6 weeks for pit smokers, from receipt of the deposit and artwork approval. Dates are estimates.

4.2 Delivery within Abu Dhabi and Dubai is included; other emirates on request. The Client ensures safe, clear access to the delivery site.

4.3 The Client inspects the equipment on delivery and reports any visible defect in writing within 2 days, after which the equipment is deemed accepted.

5. Warranty

5.1 Exit 10 warrants its fabricated products against defects in materials and workmanship for 24 months from delivery.

5.2 The warranty excludes normal wear, rust or surface wear from weather exposure, misuse, improper cleaning, unauthorised modification and consumables.

5.3 Exit 10's sole obligation under this warranty is to repair or replace the defective part.

5.4 This warranty is valid only for units delivered and used in the UAE. It does not apply to units exported outside the UAE.

6. Equipment Rental

6.1 The rental period runs from delivery or pick-up to the agreed return time. Extensions require 24 hours' notice and are subject to availability and additional charges.

6.2 Full payment and a refundable security deposit are due before the rental starts.

6.3 The Client uses the equipment only as intended and follows all safety instructions. Return the equipment clean and in the same condition, fair wear excepted. Equipment returned dirty (grease, ash or food left in the cooker, firebox or on the grates) carries an AED 750 cleaning fee, deducted from the security deposit.

6.4 The Client is responsible for loss, theft or damage during the rental. Repair, replacement and cleaning costs are deducted from the deposit and any excess is invoiced.

6.5 Cancellations: 30+ days before the event, full refund; 15 to 30 days, 50% refund; within 15 days, non-refundable.

7. Events and Classes

7.1 Events are as described in the proposal; live-cooked BBQ is part of the event, not a catering service. Exit 10 smoked meats are invoiced separately.

7.2 The Client provides venue access, power and water where required, and any permits the venue requires.

7.3 Classes: cancel in writing more than 21 days before the class for a 50% refund; within 21 days, no refund or transfer; no-shows are not refunded; if Exit 10 cancels, full refund or a new date. Ages 13+.

8. Liability

8.1 Exit 10 is not liable for indirect or consequential loss. Its total liability is limited to the amount paid under this proposal.

8.2 The Client indemnifies Exit 10 against claims arising from the Client's use of the equipment, except to the extent caused by Exit 10's negligence.

9.2 These terms are governed by the laws of the UAE and subject to the jurisdiction of the courts of Dubai.

9.3 Acceptance of this proposal or payment of the deposit constitutes agreement to these terms.
